ERTs, a partial list. Place letter code(s) in "ERTs utilized" column above

Multiple entry example: "jmv+" or "j m v +" Use no quotes or commas.

g	grazing	p	burn piles or windrows		
h	site conversion	q	backing fire		
i	land use change	r	dry conditions		

ERTs are not required for wildland fire use; however, if any apply, please list.

When using an Air Curtain Incinerator, list it under the column labeled "ERTs utilized", but do not give any of the information in the columns labeled Acres or Volume, Loading, % Consumption or ERT Acres. This information (acres, loading, and % consumption) will be tracked under the Air Curtain Incinerator general construction permit.
